Short Video Operations Coordinator | Remote Position | No Degree or Experience Needed

Description

Position Summary

The **Short Video Operations Manager** role is a remote, beginner-friendly position for people who want to earn consistent income online by managing and posting short-form videos across major social media platforms. You don't need a degree, experience, or followers — everything is provided for you, including **500+ viral short videos**, optimized captions and hashtags, and an automated storefront that pays **\$47 instantly per sale** to your PayPal or bank account.

This role is ideal for anyone who wants structure, flexibility, and a proven system that turns simple online posting into predictable daily earnings.

About the Role

As a Short Video Operations Manager, your main responsibility is to coordinate, schedule, and post high-performing short videos on **TikTok**, **Instagram Reels**, **YouTube Shorts**, and **Facebook**. These videos are pre-made and fully optimized, meaning there's no editing, no camera work, and no scriptwriting involved. Every post automatically directs viewers to your personal sales page, and each sale triggers an instant payout.

You'll receive:

- A private vault of 500+ viral short videos
- SEO-optimized captions, titles, and hashtags
- A done-for-you digital storefront with instant payment processing
- Step-by-step setup instructions (ready in 1 hour)
- Dedicated mentorship to help you grow your results

All you need to do is post content and stay consistent — the rest runs on autopilot.

Key Responsibilities

1. **Schedule and Upload Videos:** Post 3–5 videos per day across your social media accounts.
2. **Apply SEO Captions:** Use provided hashtags and captions for maximum visibility.
3. **Track Metrics:** Monitor engagement and payout data from your dashboard.
4. **Stay Consistent:** Maintain daily uploads to boost algorithm performance.
5. **Follow Guidance:** Implement mentor recommendations to optimize results.

No advertising, editing, or customer management is required — your only task is
