How It Works

The **Social Media Jobs from Home** system uses an automated model known as **digital reselling**. You'll be reselling an existing high-demand product, and every time someone buys through your personal page, you earn **\$47 instantly**.

Step-by-step overview:

1. Join the program and set up your personal dashboard.
2. Connect your PayPal or bank account for payouts.
3. Access your pre-made video and caption library.
4. Post 3–5 short videos daily on your social channels.
5. Earn \$47 instantly every time someone makes a purchase.

This process works around the clock—even while you're offline.

A Day in the Life

Morning: Schedule 3–5 of your viral videos using the system's ready-made templates.

Afternoon: Check your dashboard to see traffic and new sales updates.

Evening: Plan your next day's posts or follow your mentor's optimization tips.

Time required: **15–30 minutes per day**.

Earning Potential

Every sale pays **\$47 directly to you**. The more you post, the more exposure and potential income you generate.

Example Income Scenarios:

- 1 sale/day = \$1,410 per month
- 3 sales/day = \$4,230 per month
- 5 sales/day = \$7,050 per month
- 10 sales/day = \$14,100 per month

Consistency is key. Many beginners start with just one sale per day and scale from there.
