How It Works

This work-from-home system runs on what's known as “**Digital Dropshipping.**” Instead of selling physical products or services, you promote an already-proven digital course that pays you **100% per sale**. When someone buys through your page, the product is delivered instantly by the system — you don't have to do a thing.

3. Access your private folder of 500+ viral social media videos.
4. Post 3–5 videos daily using the provided captions and hashtags.
5. Watch traffic turn into sales — and get paid instantly for every transaction.

It's a simple cycle of posting content, collecting commissions, and scaling your results over time.

A Typical Day

Morning: Schedule your videos for the day using the prewritten content plan.

Afternoon: Check your dashboard to see new visitors and sales updates.

Evening: Queue your next batch of content or analyze what's performing best.

This role takes **less than 30 minutes per day** and can be done from anywhere — at home, while traveling, or during your free time.

Earnings Overview

You'll earn **\$47 for every sale**, paid directly into your connected account. There's no middleman or commission split — it's 100% yours.

Example Earnings:

- 1 sale/day = \$1,410/month
- 3 sales/day = \$4,230/month
- 5 sales/day = \$7,050/month
- 10 sales/day = \$14,100/month
